### Commercial Rates

Please contact [coreyleamon@gmail.com](mailto:coreyleamon@gmail.com).

### Hourly Portrait Sessions

one hour: \$95  
two hours: \$180  
three hours \$270

Prices include a CD/DVD with fully re-touched images and you get non-commercial printing rights. Turn-around time is quick!

### Weddings

six hour minimum: \$950  
additional hours: +\$115

Your investment begins with an in-person or phone meeting and continued email exchange where we get to know one another and discuss plans. This helps us both be more comfortable and allows me to take photos that suit you. Rehearsals, engagement sessions, and etc are calculated by hourly portrait rates. For the wedding day, the time I am there and what I photograph is up to you. Image editing typically requires two months for full processing. After editing, you receive a DVD of all images and get non-commercial reprint rights. Photos are then posted online under password protection for friends and family to view or purchase.

### Take Note...

Times are adjustable, and if you're on a tight budget...don't worry, send me an email and we'll talk about it! Travel over thirty minutes requires additional charge for mileage (gas) and time; please inquire by email.
